## **Product Type: Precious Metal Jewellery**

The products in this product type are precious metal jewellery items intended to be worn for decorative and personal adornment purposes. Products include sterling silver jewellery and solid gold jewellery, such as pendants including those with chains, rings with or without gemstones, earrings including gemstone earrings, brooches, and cufflinks. These items are designed for everyday or occasional wear and may feature simple or intricate designs. Products are manufactured primarily from precious metals such as sterling silver and solid gold and may incorporate additional components such as gemstones including carnelian or opal. They are supplied as finished consumer products intended for personal use.
